**Test the Waters at Artwork Network:
Venue invites Event Planners to “Mock Event”**

(Denver) Artwork Network opens its doors for non-profit, corporate and private Event Planners on Tuesday, October 4th from 4-6pm. Setup as a “mock event”, the gallery invites planners to imagine this unique, creative backdrop as the future venue for their own events. The event is sponsored by a few of Artwork Network’s preferred vendors. Catering will be provided by Epicurean, tables and linens from Event Rents, wine and beer from Mondo Vino, and desert items from Chocolate Lab of Denver.

This “Mock Event” is free to attend. Please RSVP to Melanie Houston by calling 303.388.7420 or email via Melanie@artworknetwork.com . Artwork Network is located in the Art District on Santa Fe in Downtown Denver, on 9th Ave and Santa Fe Drive.

Whether looking to host a small event or a large gala, Artwork Network Gallery & Event Center (www.artworknetwork.com) can accommodate all venue needs. The beautiful, spacious facility is the perfect departure from the traditional hotel conference room, and can hold anywhere from 10-400 guests. Enjoy high, vintage white tin ceilings, natural light, and hardwood floors. With hundreds of beautiful works of art rotating through the gallery, no two events will be the same!
