Artwork Network Invites Public to Cast Their Vote
Announcing the First Annual Online Juried Show

(Denver) Artwork Network is now accepting submissions for its 2009 juried show. In an effort to save resources and allow for convenient entries from across the US and abroad, this first annual show will take place completely online. The online format also allows for the public to participate in the jurying process. In a time when so much seems out of our control, consumers are excited about the ability to exercise will over the outcomes of contests. Shows like American Idol and Dancing with the Stars have become the industry standard in entertainment. Our culture continues to be enamored with this interactivity and instant gratification of all media. Artwork Network is excited to embrace this trend and bring the same excitement to the world of art

Entries will first be chosen by popular vote, then will be considered by the jury. All entries are due via email by Sunday, April 26th, 2009 at 12am. The public voting period begins Thursday, April 30th and ends on Sunday, May 24th. The final verdict will be announced Thursday June, 4th, 2009.

Jurors for this show include well respected Denver Art dealers, Ron Judish, currently the director of T Gallery and Sandra Phillips, art historian and owner of The Sandra Phillips Gallery. Additional Jurors include Jessica Bradley and Alan Kircher, both of Artwork Network.

Works will be judged by artistic expression and lasting impression. First Prize includes 10% of total Entry Fees and One Year Artist Membership at Artwork Network. Second and Third Prizes winners will receive 5% of the total entry fees and a gift certificate from Artwork Network. The winning pieces will also be showcased at the Artwork Network Showroom during month of August 2009 and particularly highlighted during the First Friday Art Walk at Denver's Art District on Santa Fe. The winner by popular vote, regardless of the jury's selection will also be recognized.

Artwork Network creates opportunities for art by connecting buyers and sellers online, and by consulting with businesses, collectors and interior designers to find the perfect original art or art services they need. Our inventory includes an extensive array of art from our talented artist members whose online portfolios at www.artworknetwork.com serve as the main tool to showcase their work. We offer business art rotation, online art brokerage, art consulting, handling and installation, artist and gallery websites, as well as in house framing and photographic services. Our showroom and working artist studios, located in the heart of Denver's exciting Art District on Santa Fe displays a selection of our member's work for view and purchase.
